Dear Potential DWSD Contractors:

The Detroit Water and Sewerage Department (DWSD) is pleased to offer a listing of proposed construction and consultant contracts that the Department anticipates releasing October through December of 2008. This report is in response to requests from DWSD personnel and prospective consultant and construction contractors concerning the status of projects currently under consideration by DWSD.

Questions concerning the availability of this report should be directed to Mr. Ed Ramey of the Local Economic Development Unit, at (313) 224-4754. The report is also available on the website at www.dwsd.org.

Sincerely,

Darryl A. Latimer
Contracts and Grants Manager

The informational listings on the following pages concern future construction and consultant contracts the Detroit Water and Sewerage Department (DWSD) anticipates advertising during the year 2008. The awarding of DWSD contracts is based, in part, upon requests for proposals (RFPs) and the open competitive bidding process. In order for a proposal/bid to be accepted for evaluation, a minimum of 30% of the total dollar value of a proposed contract, per Executive Order No. 2003-4, must be awarded to Detroit Headquartered Businesses (DHBs) and/or Detroit Based Businesses (DBBs). The City of Detroit reserves the right to modify, cancel, delete or postpone any construction or consultant project listed herein, if it is deemed to be in the City's best interest.
